

## 2010 MASTERS POOL

You must choose one player from each group (A, B, C, D) below by circling the player's name. You must also choose 2 players from the field (any Player not listed in a group). List these players by name in the Field #1 box and the Field #2 box.

The winner will be determined by the total score for the 5 best scores out of 6. This means you can drop your worst score. If a player does not make the cut that player will receive the score of the last place finisher on Sunday. The tie breaker is the person who guesses closest (above OR below) to the Final Score of the winner of the tournament (example, (-7)). If a player withdraws before the tournament starts you may replace him before the tournament starts. Once a player tees off there is no replacement.\*

Cost is \$20 per sheet and needs to be submitted by Thursday April 8th 8:00 AM or emailed to [kbuck22@gmail.com](mailto:kbuck22@gmail.com) by that time. Payouts will be for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> (70%, 20%, 10%). Scores will be posted to [www.buckwebs.com/masters](http://www.buckwebs.com/masters)
